

The Moor of Rannoch Restaurant & Rooms is located in the stunning wilderness of Rannoch Moor. Equally, a unique environment for our guests to visit as it is for our staff to live and work.

You won't find a Starbucks for your morning coffee, popping down the shops may take some time and the nightlife is a bit slower paced!

We do however have a fantastic espresso machine and we use locally roasted beans from Glen Lyon Coffee Roasters, staff coffees are unlimited! Rannoch has a brilliant dial-a-bus service with our local village Kinloch Rannoch a 35 minute journey. Staff are also entitled to 50% discount on trains from Rannoch Station to Fort William (55 minutes) and Glasgow (2 hours 20 minutes). There is also delivery from national supermarkets and amazon. Nightlife however is limited but there are some local events and music nights in the village halls. Stunning dark skies, stars and the occasional northern light displays are the benefit of our very remote location. Living in such a remote location does have its challenges but equally can be a very rewarding experience.

Our team consists of 5 staff including owners Scott & Steph. This means that each member of our small team is integral to providing the unique and personal experience that our guests enjoy. Looking through our reviews you can see that the personal interactions with all our staff leave a lasting impression on our guests. Scott & Steph live on-site and many of our guests feel like they are visiting friends when they stay, a large number of our guests are repeat visitors.
